

Hi everyone,

This will be a quick update to you as we are finishing packing our suitcases and will be heading to the airport tomorrow morning to fly back to Mexico for our second term of service. Pray that the Lord to give us safe travel with no unforeseen mishaps on the way. For the travel days Wednesday and Thursday, pray that the girls and we would rest well and that we and the luggage would all arrive safely and on time.

- 1. Please pray for us as we finish the final preparations with moving today and tomorrow.**
- 2. By the time you read this, the small crate of our belongings will be packed and at the warehouse! The movers came on Friday to pick it up, and we are glad to have the packing done. Pray for the crate to arrive safe and undamaged to Mexico.**
- 3. Pray for safe travel for us as we fly to Guadalajara Mexico on Wednesday, Oct. 11, and then drive 2.5 hours to Colima, Mexico on Thursday.**
- 4. Pray for us to find a house to rent in Colima quickly. Pray that this house would be exactly where God would want us to be and that the utilities and computer connections would be soon in place.**
- 5. Pray that the location would be good for ministry, that we would develop relationships, and start new churches that would multiply and reach this city for Christ..**

We appreciate all of you and thank you for praying for us. Please keep us lifted up in prayer, especially during the next few days of travel and few weeks of adjusting to life in a new city, and that God would move mightily in the work in Colima, Mexico!

We have also started putting prayer requests on the mission prayer website called Compassion net. The link there is <http://www.imb.org/CompassionNet/UrbanCenters.asp> Then click on the down arrow for Urban Centers and scroll down to Colima, Mexico. We will update those requests once a month or so.

In Christ,

Jeff, Deliegha, Charissa, Lois Swanson
